

## **HHSC - MAC Financial Q4 2017 (July - September 2017) Revenue Notice**

To: MAC Participating Early Childhood Intervention Programs:

Each quarter, Health and Human Services Commission (HHSC) authorizes Fairbanks, LLC to input Early Childhood Intervention (ECI) revenue allocation data into the State of Texas Automated Reporting System (STAIRS). Due to a technical issue the Revenue Data for the Q4-17 MAC Claim is delayed. Once the Revenue Data has been received, reviewed and uploaded by HHSC, Fairbanks will send out notice to open Steps 4-7 in STAIRS.

At this time, this is just to notify our ECI MAC providers of the Revenue Data delay. Please ensure all financial data has been entered up to Step 4 to assist in no further delays of your MAC Financial Claim. HHSC will be extending the due date of Q4-17 and will send a separate notice with information to finalize Q4-17 for submission to all ECI MAC providers once the Revenue Data has been received.

**If you have any questions regarding MAC financials and submission, please contact the HHSC MAC team at [MAC@hhsc.state.tx.us](mailto:MAC@hhsc.state.tx.us) or 512-462-6200.**
